

# PERFORMING ARTS

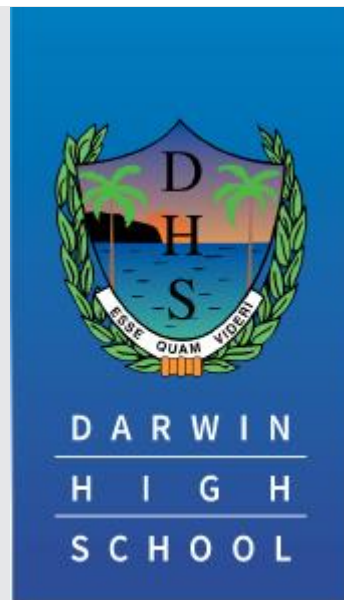

## MUSIC, DANCE AND DRAMA

Enrol now in our vibrant and renowned Performing Arts programs.

At Darwin High School, Dance is a valued part of student education. Driven by the needs of students, the Dance Department designs programs that:

- Confirm the vibrant presence of dance
- Actively shape creative options for younger generations of Darwin artists
- Extend student possibilities beyond the classroom and stage
- Provide unparalleled learning and performance opportunities for Darwin-based dance students, artists and choreographers

Our Drama program also offers an engaging pathway of study from Year 10 through to Stage 2/Year 12.

Darwin High has an excellent music education program, and is the only NT school offering the full range of Stage 2 Music subjects. Our students have the unique opportunity to perform in the school band and school choir.

The music program encourages students to participate in musical activity as both a recreational and vocational choice.

A limited number of places in our Performing Arts courses are made available for students outside of our feeder school/priority enrolment areas. Phone 8999 1222 to enrol.
