Subject: Darwin High School - Voluntary Contributions & Building Fund Donations

Dear Parents and Guardians

Darwin High School welcomes your voluntary contributions and Building Fund donations to help enhance our resources and facilities in 2026.

The School Board suggests a voluntary contribution of \$250, however any amount is greatly appreciated. Your voluntary contributions in 2026 will help fund:

1. Cooling solutions for student seating areas
2. Beautification of school spaces
3. Upgrades to student IT hardware

Additional support can also be offered through a **Building Fund Donation**. These funds support maintenance and improvements to school facilities. Donations are tax-deductible as the school holds Deductible Gift Recipient (DGR) status.

2025 Contributions – Lockers and Seating

Last year, nearly \$17,000 in voluntary contributions funded five outdoor table settings and 30 new student lockers. Building Fund donations of \$21,475 enabled the painting of seven classrooms.

We sincerely thank all families for their generosity.
