

GUIDELINES FOR STUDENT USE OF MOTOR VEHICLES

Students are permitted to drive vehicles to and from school provided they adhere to the following guidelines which are designed to fulfil safety and duty of care obligations:

- Students are expected to drive carefully and observe the displayed speed limits – 40kph along Atkins Drive and 25kph in the school grounds. 'Burnouts' and 'wheelies' are not permitted.
- The loading zones, driveway and bus lane are not designated parking areas for students.
- The car parks are out of bounds during lesson time. Cars may be accessed during recess and lunch. There should be no students loitering around cars.
- Students are to exit the school grounds via designated roads only. The bus lane is restricted to buses.
- Year 12 students may leave the school grounds at lunch or during their study lessons only **after signing out**.
- Drivers can only carry other students in their cars with written permission from all parents concerned.
- Students must complete the **Motor Vehicle and Driver Registration Form** and return it to the relevant Year level Assistant Principal.

Students who do not follow the guidelines will receive one warning. Repeated disregard of the above guidelines can result in loss of 'driving to school' privileges and or disciplinary action.
